

South Africa Chapter

HONORARY MEMBER OF THE ACFE SA

It was proposed that we institute an “Award” or Membership Class, (Honorary Membership) granting life membership of the SA Chapter to be awarded to current individuals or past members to honour them for rendering outstanding service to the organisation.

This will allow a method of honouring and recognising those members that put a lot of effort into the development of the organisation, the fight against crime and provide an avenue to honour and involve people that otherwise might not join the organisation, and/ or may no longer be able to afford membership (e.g. those going on pension).

This is not meant as a “long timer award”, i.e. not applicable purely to people who have held membership for many years, but specifically to recognise a meaningful contribution.

EXAMPLES OF PEOPLE THAT MAY BE CONSIDERED:

- Founding members and Past Chapter Presidents.
- Members who served on the Board for many years (five years or more).
- Individuals who often assist with training at no cost.
- In some instances, it could include people who regularly support the ACFE SA by way of sponsorship and donation, however this should be considered carefully as this award must remain prestigious and not be seen as for sale.
- Any individual recognised for outstanding political, business, cultural, scientific or social contributions and whose actions reflect ACFE SA principles.
- Award Honorary Life membership to promote our organisation and further its impact.

CRITERIA:

1. It was decided during the 2008 Board meeting that only CFEs will be eligible to receive this prestige award.
2. Nominations will be submitted for consideration to the EXCO. The approval of the majority of the members of the EXCO will be required.
